

**Aubrey Organics Green Tea & Green Clay Rejuvenating** Draw out impurities with green clay and natural fruit acids to leave dull, dehydrated skin renewed and refreshed.

**Crystal Mineral Deodorant Chamomile & White Tea** Made of natural mineral salts and infused with the calming aromas of chamomile and green tea, it neutralizes odor-causing bacteria and gives long-lasting, non-sticky, non-staining coverage.

**Nature's Gate Asian Pear & Red Tea Shampoo** A unique blend of wheat proteins, sunflower seed extract, organic hops, and red tea protects color treated hair from fading.

**Pukka Tea Cleanse Organic detox and cleanse herbal tea pack** helps you feel in top form, with a refreshing blend of purifying nettle, fennel, and aloe vera for radiant skin.

**Derma-e Vitamin A and Green Tea Crème Retinol** enhances cell renewal to help diminish the appearance of fine lines, while green tea helps protect against free-radical damage.

**Rishi Tea Organic Green Sencha Tea** This Sencha green tea is organically cultivated in Japan, where the climate and rich volcanic soil help give the tea a rich flavor.

**Spry Green Tea Xylitol Gum** Dentist recommended and sweetened with 100% xylitol to reduce the risk of tooth decay and improve oral health.

# CLEANSE & TRIM

- ✓ Do you have difficulty going to the bathroom?
- ✓ Do you frequently feel tired or bloated after eating?
- ✓ Are you carrying around unwanted weight?

Well, say hello to Only Natural's **Easy Colon Cleanse** and say goodbye to messy liquids, bad tasting powders and hard to swallow tablets. Our all in one **Easy Colon Cleanse** provides all the benefits of the more expensive complicated kits in a convenient capsule.

**Easy Colon Cleanse** is a unique formula that combines fiber, herbs, minerals, bentonite clay and probiotics to help eliminate unwanted toxins from the colon and intestinal canal.

Elimination of these toxins may;

- ◆ Improve nutrient absorption
- ◆ Reduce certain health risks
- ◆ Improve digestion
- ◆ Assist in weight loss
- ◆ Increase energy
- ◆ Contribute to overall health
